

**From the desk of Connie Gervasoni:**

**Week of March 25<sup>th</sup> – March 29<sup>th</sup>:**

- **Open House / STEAM Night is upon us! This Tuesday, please give evidence of the learning ALL your students do in a daily basis. Make sure every one of your students have work represented in your classroom. Also, I'm excited to engineer through your STEAM activities! Let's Dress to Impress!**
- **Please encourage daily student attendance; if a student is out for more than 2 days, a phone call home from the teacher makes such an impact.**
- Our students need **constant** reminders of our school rules. Please be sure you consistently review your classroom rules and have conversations revolving around their choices. Students need your guidance and assistance to keep on track. To promote positive behavior, we will continue with our Monday Cougar Bucks' raffles-2 per grade-level during announcements. Students must be present to win! We will also continue with the Yellow Class Cougar Bucks.
  - **Teachers, thank you for setting the stage and modeling for your students: Anticipating the bell and arriving on time (sign-in by 7:50am); walking your students in a quiet line, supervising students during Assemblies, etc. I appreciate your hard work and diligence!!!** *Principal Recess, Wednesday, 2:15pm.*
- **I will continue to visit classes to observe Designated and Integrated ELD. I will be observing teacher talk vs. student talk (students need the opportunity to have collaborative conversations), word walls, sentence starters, and other ELD/SEL strategies.**
- Math Night, Thursday, April 4<sup>th</sup>: if you need parent assistance to help get your activities ready, please send to Parent Center by Thursday so our amazing volunteers have ample time to prepare.
- Reminder, each grade-level may take an instructional field trip. Please make sure you schedule 40 days in advance (for district approval). Also, you must schedule the field trip and the bus transportation separately; contact the Cafeteria 3 weeks in advance and make sure parents helping to supervise are properly vaccinated and Volunteer Form is completed on-line. Due to limited funds, we cannot pay for admission fees. Also, if you are taking a walking Field Trip, Risk Management needs to approve, usually taking 2 -3 weeks.
