## **Los Angeles Unified School District Title I Parent Involvement Policy**

1. LAUSD will involve parents in the joint development of the LAUSD Program Improvement Plan by inviting parents of Title I students to participate in Title I Parent Study Groups at each Educational Service Center (ESC), in the District's Title I Focus Group, and in school level activities related to the LAUSD Program Improvement Plan, including budget and program development for all categorical programs. The District will also invite parents to participate in special training to support their understanding of the LAUSD Program Improvement Plan and the Single Plan for Student Achievement (SPSA).

2. LAUSD, through the Parent Community Student Services Branch (PCSB) and the Parent and Community Engagement (PACE) staff at each ESC, will provide the coordination, technical assistance, and other support necessary to assist Title I schools in planning and implementing effective parent involvement activities to improve student academic achievement and school performance. Staff from PACE and PCSB will develop tools and curriculum and will provide training to school staff in the following areas:

School Goals for Parent Engagement Special assistance to targeted schools  
Capacity-building programs Partnership Action Teams  
School Volunteer Program

3. LAUSD will build the schools' and parents' capacity for strong parental involvement by providing the training and tools necessary for schools to operate effective parent engagement programs from pre-school to 12<sup>th</sup> grade. Through PCSB and ESC PACE staff, the LAUSD will support school capacity-building initiatives through the following:

Training for parents on District academic initiatives  
Parent and Family Center Improvement Program  
Training for school staff on how to support parent engagement

4. LAUSD will coordinate and integrate the parental involvement strategies described in this policy with parental involvement strategies under other programs, including those managed by other LAUSD departments and or/units:

Multilingual and Multicultural Education Division of Special Education  
Early Childhood Education Federal and State Education Programs  
Information Technology Division Office of the Chief Operating Officer  
Beyond the Bell Student Integration and School Choice  
Office of Data and Accountability

5. LAUSD will conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of Title I schools, including identifying barriers to greater parent participation in Title I activities (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background). LAUSD will use the findings of such evaluation to design strategies for more effective parental involvement and to revise as needed, the District Title I Parent Involvement Policy. The District will utilize ESC Title I Parent Study Groups to examine the effectiveness of the parent engagement strategies and programs on student achievement at Title I schools.

6. LAUSD will involve parents in the activities of Title I schools, will ensure schools communicate effectively with parents, welcome them as partners, and provide opportunities to help them support their children's learning and achievement. LAUSD will ensure that parents are knowledgeable about student and school performance data, their rights and responsibilities, including their right to choose a school for their children, and how to support their children's education.
