

Using ExamView with MindPoint Quiz Show

To use a teacher-made test from ExamView in Mind Point Quiz Show:

1. Create the test in ExamView and Save it in Tests (the default for saving).
2. Open Mind Point Quiz Show and follow normal options (number of players, who's playing, game type) until you get to the option: "Choose Question Set".
3. Click on the icon of a FOLDER in the Location Box.
4. Scroll up to ExamView.
5. Click on the "+" to open the ExamView folder.
6. Highlight "Tests".
7. Click on "Select". (You MUST click on Select to find the tests. Double clicking on Tests DOES NOT WORK!)
8. Find your test that you are using and double click on it!
